## Let it Snow

Oh the weather outside is frightful  
But the fire is so delightful  
And since we've got no place to go  
Let It Snow! Let It Snow! Let It Snow!!

Oh, it doesn't show signs of stopping  
And I've brought some corn for popping  
The lights are turned way down low  
Let It Snow! Let It Snow! Let It Snow!

When we finally kiss goodnight  
How I'll hate going out in the storm!  
But if you'll really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And my dear we're still good-by-ing  
But as long as you love me so  
Let It Snow! Let It Snow! Let It snow

Oh, it doesn't show signs of stopping  
And I've brought some corn for popping  
Since the lights are turned way down low  
Let It Snow! Let It Snow! Let It Snow!

When we finally say goodnight  
How I'll hate going out in the storm!  
But if you'll really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And my dear we're still goodby-ing  
But as long as you love me so  
Let It Snow! Let It Snow! Let It Snow!
